STATEMENT OF WITNESS

Criminal Justice Act 1967Statement of STEPHEN MICHAEL PARKINSONAge of Witness (if over 21 enter 'over 21') OVER 21Occupation of Witness RADIO INVESTIGATION OFFICER

This statement, consisting of TWO pages each signed by me, is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

Dated the TWENTYEIGHTH day of FEBRUARY 19 94Signed Signature witnessed by 

On the 3rd of November 1993, at approximately 12.15hours, I monitored 105.1Mhz at the Albert Dock, Liverpool. I heard a broadcaster say that he had just switched on the transmitter and that "ZEE 100" would start transmitting their programmes from 15.00 hours.

I took a new audio tape from its wrapping and inserted it into my tape recorder. Using a microphone which was plugged into the unit I then identified myself and made a note of the time as being 12.35hours, the location, and also the frequency I was monitoring. I then proceeded to record the station on 105.1Mhz which was by this time playing music. I allowed the tape to run its full course and the recording ceased at approximately 13.20hours.

I contacted my colleague Malcolm Cameron Foulds, and arranged to meet him in the Birkenhead area so that further proof could be obtained regarding the stations location.

At 15.00hours I together with Malcolm Cameron Foulds, Radio Investigation Officer, monitored 105.1Mhz in the Birkenhead area, and heard the radio station "ZEE 100".
